Dear Judge Clark,

I met John Collins -  
Muhammed in 2013 when we  
were both students at  
Harris-Stowe State University.

We were in General  
Geology class that spring,  
where we formed a  
rapport that has been  
ongoing, no matter the  
time which has gone  
by.

During our time at  
Harris-Stowe, I noticed  
his talents & abilities,  
which he can put  
to great use to  
benefit the community.

He is taking respon-  
sibility for his actions,  
& I believe that with  
a coordinated support  
structure, he would  
thrive in a role  
of community service &  
community supervision.

As a fellow alumnus,  
I offer my service to  
that end, as I am  
in St. Louis frequently.

Penological interests would  
be much better served  
that way, as opposed  
to any prison time.

I would be delighted  
to be of assistance  
in this matter.

Sincerely,
